#### Agency Information Collection Activities; Revision of a Currently Approved Collection: Obligor Change of Address

**AGENCY:** U.S. Immigration and Customs Enforcement, Department of Homeland Security.

**ACTION:** 60-Day notice.

**SUMMARY:** U.S. Immigration and Customs Enforcement (ICE), the Department of Homeland Security (DHS), invites the general public and other Federal agencies to comment on this proposed revision of a currently approved collection of information. In accordance with the Paperwork Reduction Act (PRA) of 1995, this information collection notice is published in the **Federal Register** to obtain comments regarding the nature of the information collection, the categories of respondents, the estimated burden (i.e., the time, effort, and resources used by the respondents to respond), the estimated cost to the respondent, and the actual information collection instruments.

**DATES:** Comments are encouraged and will be accepted until **[insert date 60 days after date of the publication in the FEDERAL REGISTER]**.

**ADDRESSES:** All submissions received must include the OMB Control Number 1653-0042 in the body of the correspondence, the agency name and Docket ID ICEB-2019-0007. All comments received will be posted without change to <https://www.regulations.gov>, including any personal information provided.

- (1) *Online.* Submit comments via the Federal eRulemaking Portal website at <https://www.regulations.gov> under e-Docket ID number ICEB-2019-0007.

**FOR FURTHER INFORMATION CONTACT:** If you have questions related to this collection call or email Melinda Jones, ERO, (202) 271-9855, [melinda.a.jones@ice.dhs.gov](mailto:melinda.a.jones@ice.dhs.gov).

## **SUPPLEMENTARY INFORMATION:**

### **Comment**

Written comments and suggestions from the public and affected agencies concerning the proposed collection of information should address one or more of the following four points:

- (1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- (2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- (3) Enhance the quality, utility, and clarity of the information to be collected; and
- (4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.
